

Spring school of the DFG-Research Training Group 2339 “IntComSin”

PDEs meet uncertainty: New analytical & numerical concepts

Photographer: foto-phositiv.de

Speakers:

- **Benjamin Gess**
(MPI Leipzig & U. Bielefeld)
- **Fabio Nobile**
(EPFL Lausanne)
- **Andreas Prohl**
(University of Tübingen)

Organized by:

Günther Grün, Martin Burger
(University of Erlangen-Nürnberg)

Supported by:

RTG 2339 *Interfaces, Complex Structures, and Singular Limits in Continuum Mechanics*

March 15th – 19th, 2020

**Haus Schönenberg,
Ellwangen**

Conference fee: 400€ (board and lodging included).
Limited support is available for young scientists.
Please apply (including CV) to bigott@math.fau.de.
Deadline for registrations: December 15th, 2019.
