

Workshop “New perspectives in MATHEMATICAL AND STATISTICAL METHODS FOR ACTUARIAL SCIENCES AND FINANCE - Waiting for MAF 2026”.

Polo Nautico, Salerno - June 27-28, 2025

This workshop is part of the activities related to the MAF (Mathematical and Statistical methods for Actuarial Sciences and Finance) initiatives, whose main events are the biennial international conferences that have been held regularly since 2006 in Italy and abroad. The next edition is scheduled for 2026 and will be held in Barcelona.

The aim of the workshop is to present new and innovative research ideas in the field of mathematical and statistical methods for insurance and finance, both from a theoretical and applied point of view. The topics of interest include, but are not limited to: Artificial intelligence, Machine learning, Blockchain technology, Behavioral finance and insurance, Policy indications, Sustainability, Environmental, Social and Governance (ESG) criteria, Silver economy, Gender analysis, Insurtech and Fintech.

The workshop includes invited talks and poster presentations.

INVITED SPEAKERS

- **ROBERTO BALDONI** (ACN- Agenzia per la Cybersicurezza Nazionale, Sapienza Università di Roma)
- **ENRICO BIFFIS** (Imperial College, London)
- **MICHEL DACOROGNA** (Partner at Prime Re Solutions, University of Zurich)
- **GIAMPIERO GALLO** (New York University in Florence)
- **PAOLO GIUDICI** (University di Pavia)
- **EDOARDO OTRANTO** and **PIERPAOLO D’URSO** (Sapienza University of Rome)
- **FRANCESCA PERLA** and **SALVATORE SCOGNAMIGLIO** (Parthenope University of Naples)
- **DIMITRIS N. POLITIS** (University of California, San Diego)

CONFERENCES DEADLINES

Poster presentations are intended to enhance informal interactions with conference participants, at the same time allowing for in-depth discussion. Participants can submit a poster, including in the registration form a title and a short abstract by **May 25, 2025**.

All participants who present a poster can also **submit a paper** (min 8 pages – max 12 pages) to be included in a proceedings book with ISBN, published by Springer in the conference series MAF: Mathematical and Statistical Methods for Actuarial Sciences and Finance. Papers will be revised according to the usual referee process.

Important dates for Springer Proceedings

- Paper submission deadline: **May 25, 2025**
- Notification of paper acceptance or rejection: **July 5, 2025**
- Paper revised submission deadline: **July 30, 2025**
