Your *brightest* future

www.collegioeinaudi.it

Collegio Einaudi is a private, non-profit foundation managing five Halls of Residences in Turin, recognized and accredited by the Italian Ministry of University and Research, **hosting over 800 deserving students.**

It offers a stimulating and interdisciplinary environment of study and personalized training courses, including coaching and tutoring activities.

As College of Merit, its mission is to **enhance the merit and potential of motivated university students** through the development of their greater autonomy, new skills and the achievement of excellent results.

The first edition of the International Career Fair took place in Padua, Italy in April 2022 involving 11 companies and 70 students. The event received very positive feedback from companies: well-prepared candidates, good level of English, and premium service to book in advance interviews. **Both students and companies expressed a 90% satisfaction on quality of the proposal and of the candidates.**

"Overall student preparation: excellent CVs and high-level interviews"
