

SECOND SEMESTER

■ STUDENT LEADERSHIP BOOTCAMP | 2nd Edition

How are students engaging in residential spaces to create an amazing university experience? How do other student leaders navigate leadership roles in the College?

During the event dedicated to **student leaders** of the EucA network, students explore **traditions, organizational models,** and **engagement practices** of colleges from across Europe to inspire the organization and the activities of their own colleges. Soft skills development activities are included in the program.

*Fees include accommodation, some meals, and organizational costs. Travel is NOT included!
